

St Luke's will be an open community of faith which engages with the community and inspires and encourages people to know Jesus Christ.

Mission Action Plan 2022

Stage 3 Part 2

Having the Faith to Follow

- 1. Develop a simple meal provision ministry for people in need once a fortnight.**
- 2. Once developed, enclose a small section of the undercroft with a servery and fit the enclosed area as a small kitchen/food preparation area to support the ministry.**
- 3. Engage in an intentional study, learning and discipleship programme to energise our vision.**

The Priorities of our Mission Action Plan Involve:

- 1. Source volunteers to work within the project, promote and trial it.***
- 2. Quote, apply for extra funding and build the proposed project.***
- 3. Identify a study programme, purchase the resource and deliver.***

Alongside these priorities for 2022 as we work toward our vision, we will:

- ⇒ Promote and encourage St Luke's Precinct as a place of genuine Christian community for all who come and go, generating church in a new space.
- ⇒ Pray for the Holy Spirit to guide us along the way.
